BIKE ATHLETIC SUPPORTERS

BIKE CB55 SUPPORTER

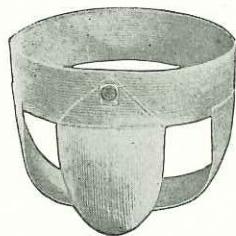

Made With Lastex

Same style and construction as the famous BIKE No. 5. No. 55 is now made of the famous LASTEX yarn. The red stripe through the bands serves as identification in cases where the user has two supporters, as No. 5 and a No. 55. Sizes: Small, Medium, and Large. One to a carton. Per dozen **\$3.25**

BIKE CB5 SUPPORTER

Made With Lastex

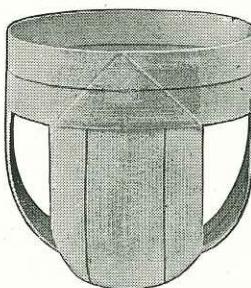

supporter comfort and value never before thought possible. "Lastex" is made from fine spun lastex doubly covered with high grade long fibre cotton. This together with the total absence of starchy filler in the webbing makes the No. 5 an exceptionally soft, comfortable and durable garment. Its use in Bike No. 5 insures greater comfort, and longer service.

The No. 5 is made from one single piece of webbing which is specially folded to eliminate all seams. This construction excludes the possibility of ripping, and separation of rubber and fabric, assuring tremendous strength and long satisfactory service.

Made with three-inch waist and leg bands. Three sizes—Small, Medium, and Large.

Per dozen **\$3.25**

BIKE CB-S STRAP SUPPORTER

Many men prefer the Strap because of its shaped pouch. It is roomy, free from binding and its special construction in the crotch is especially comfortable to men whose legs are somewhat fleshy in this area. Made of that fine, lofty

It is sewn to the waistband by a patented method which allows complete stretch of the waistband at point of attachment. Three-inch waistband, two-inch leg band. Three sizes—small, medium and large

Two "launder-proof" unbreakable snaps fasten the pouch to the 3-inch waistband thus facilitating removal of cup and "tire." Two-inch leg bands. Three* sizes—small, medium, large.

DEAR FRIEND:

Preparedness and careful planning are the key-notes of the coming year. I have carefully planned and prepared for the coming season to be of greatest service to my customers and friends.

I made an extreme effort to secure the best values in standard sellable merchandise at the lowest possible prices in spite of a rising market.

Due to the present uncertain rising market conditions, all prices are subject to change without notice. If however, any prices on any items ease off, all orders will be immediately invoiced at the lower prices.

May I suggest that you cover your requirements for the coming season as early as possible to insure obtaining our present low prices and deliveries.

With my sincerest thanks for all your kind considerations, I am
